DIVISION OF
OIL, GAS & MINING

Dear Mr. Daniels,

This letter is to confirm our two telephone conversations of today regarding the location of the John Mine.

In our letter to you of January 21, 1980, from Mr. Carl Lipp, the location was given as the NW 1/4 of Section 36, Township 23 South, Range 12 East, Grand County, Utah. The correct location, as we discussed today, is the NW 1/4 of Section 1, Township 23 South, Range 21 East, Grand County, Utah.

This letter will also confirm Mr. Lipp's statement that we will not plan to move any earth material or overburden to the existing waste dump as was mentioned in the letter of January 21, 1980. This change is made in compliance with your regulations so that our request will meet with the Division approval.

If there are any further questions regarding our request, please call.

Sincerely yours,
MINERALS RECOVERY CORPORATION
